§ 1.6414-1 Credit or refund of tax withheld on nonresident aliens and foreign corporations.

(a) *In general.* Any withholding agent who for the calendar year pays more than the correct amount of:

(1) Tax required to be withheld under chapter 3 of the Code, or

(2) Interest, addition to the tax, additional amount, or penalty with respect to such tax,

may file a claim for credit or refund of the overpayment in the manner and subject to the conditions stated in the Procedure and Administration Regulations (Part 301 of this chapter) under section 6402, or may claim credit for the overpayment as provided in paragraph (b) of this section. With respect to the payment of withholding tax under section 1446, this section shall only apply to a publicly traded partnership described in § 1.1446-4. See § 1.1446-3(d)(2)(iv) for rules regarding refunds to a withholding agent under section 1446.

(b) *Claim for credit on Form 1042.* The withholding agent may claim credit of an overpayment described in paragraph

(a) of this section for any calendar year by showing the amount of overpayment on the return on Form 1042 for such calendar year, which shall constitute a claim for credit under this paragraph. The claim for credit shall be evidenced by a statement on the return setting forth the amount determined as an overpayment and showing such other information as may be required by the instructions relating to the return. The amount claimed as a credit may be applied, to the extent it has not been applied under § 1.1461-2(b), by the withholding agent to reduce the amount of a payment or deposit of tax required by § 1.1461-1 or § 1.6302-2(a) for any payment period occurring in the calendar year following the calendar year of overwithholding. The amount so claimed as a credit shall also be entered on the annual return on Form 1042 for the calendar year following the calendar year of overwithholding and shall be applied as a payment on account of the tax shown on such form. If the withholding agent files a claim for credit or refund of the overpayment on Form 843 in accordance with § 301.6402-2 of this chapter (Procedure and Administration Regulations), or a claim for refund of the overpayment on Form 1042 in accordance with § 301.6402-3 of such chapter, he may not claim credit for the overpayment under this paragraph.

(c) *Overpayment of amounts actually withheld.* No credit or refund to the withholding agent shall be allowed for the amount of any overpayment of tax which, after taking into account paragraph (b) of § 1.1464-1, the withholding agent has actually withheld from an item of income under chapter 3 of the Code.

(d) *Effective/Applicability date.* The last two sentences of paragraph (a) of this section shall apply to partnership taxable years beginning after April 29, 2008.

[T.D. 6922, 32 FR 8714, June 17, 1967, as amended by T.D. 9394, 73 FR 23085, Apr. 29, 2008]

§ 1.6425-1 Adjustment of overpayment of estimated income tax by corporation.

(a) *In general.* Any corporation which has made an overpayment of estimated

income tax for a taxable year beginning after December 31, 1967, may file an application for an adjustment of such overpayment. The right to file an application for an adjustment of overpayment of estimated income tax is limited to corporations.

(b) *Contents of application.* (1) The application for an adjustment of overpayment of estimated income tax shall be filed on Form 4466. The application shall be filled out in accordance with the instructions accompanying the form, and all information required by the form and instructions must be furnished by the corporation. The application shall be verified in the manner prescribed by section 6065 as in the case of a return of the corporation.

(2) An application for an adjustment of overpayment of estimated income tax does not constitute a claim for credit or refund. If such application is disallowed by the district director, or director of a service center, in whole or in part, no suit may be maintained in any court for the recovery of any tax based on such application. The filing of an application for an adjustment of overpayment of estimated income tax will not constitute the filing of a claim for credit or refund within the meaning of section 6511 for the purpose of determining whether a claim for refund was filed prior to the expiration of the applicable period of limitation. The corporation, however, may file a claim for credit or refund under section 6402 at any time prior to the expiration of the applicable period of limitation and may maintain a suit based on such claim if it is disallowed or if the district director, or director of a service center, does not act on the claim within 6 months from the date it is filed. Such claim may be filed before, simultaneously with, or after the filing of the application for the adjustment of overpayment of estimated tax. A claim for credit or refund under section 6402 filed after the filing of an application for an adjustment of overpayment of estimated income tax is not to be considered an amendment of such application. Such claim, however, in proper cases, may constitute an amendment to a prior claim filed under section 6402.

(c) *Time and place for filing application.* (1) The application for an adjustment of overpayment of estimated income tax shall be filed after the last day of the taxable year and on or before the 15th day of the third month thereafter, or before the date on which the corporation first files its income tax return for such taxable year (whether or not it subsequently amends the return), whichever is earlier.

(2) Except as provided in paragraph (b)(2) of § 301.6091-1 of this chapter (relating to hand-carried documents), the application on Form 4466 shall be filed with the internal revenue officer designated in instructions applicable to such form.

§ 1.6425-2 Computation of adjustment of overpayment of estimated tax.

(a) *Income tax liability defined.* For purposes of § 1.6425-1, this section, §§ 1.6425-3 and 1.6655-7, relating to excessive adjustment, the term *income tax liability* means the excess of—

- (1) The sum of—
 - (i) The tax imposed by section 11 or 1201(a), or subchapter L of chapter 1 of the Internal Revenue Code, whichever is applicable; plus
 - (ii) The tax imposed by section 55; over
- (2) The credits against tax provided by part IV of subchapter A of chapter 1 of the Internal Revenue Code.

(b) *Computation of adjustment.* The amount of an adjustment under section 6425 is an amount equal to the excess of the estimated income tax paid by the corporation during the taxable year over the amount which, at the time of filing Form 4466, the corporation estimates as its income tax liability for the taxable year.

(c) *Effective/applicability date.* Paragraph (a) of this section is applicable to applications for adjustments of overpayments of estimated income tax that are filed in taxable years beginning after September 6, 2007.
